

TWIN KNOBS CAMPGROUND/BEACH

Daniel Boone National Forest, Winchester, KY

Twin knobs is a 700-acre campground with nearly 200 campsites, loops of scenic foot trails, stretches of beautiful inland beaches. Located in the Appalachian Mountains, the area features a multitude of fascinating natural features, such as ravines, sandstone cliffs, and steep, forested slopes.

Cave Run Lake was built by the U.S. Army Corps of Engineers to serve as flood protection for the lower Licking Valley. It also provides a reservoir of water for nearby communities, improves the water flow of the Licking River, and provides habitats for a multitude of wildlife and fish species.
